Willene, responded to previous message re: **Hiram H**, but when I found **Hiram HEATH** Friar in your last message, there is a possibility we are connected. My grandmother Sarah (Sally) Ann McVoy's mother was Sarah **HEATH** born in MS, married 16 Aug 1849 in Claiborne Co., MS to William J. McVoy. Sarah (my grmo) had a son Samuel **HEATH** McVoy before marriage. Later married 2 Fryer brothers, John Coleman Fryer being my grandfather. By the name **HEATH** being brought down in the family, we may be related in some manner. I'll check further to see if I can make a connection. Please let me know if you find anything. Pat, all these were to late for my Hiram H. His marriage records say he was born Jan 14 1825. I did find a Hiram Freer on the Freer family that I am wondering about, however that Hiram was b 1828. Willene

Pat, I am Interested to know More about this Andrew Friar. Although **Hiram Heath** Friar married in Marion County Ms. his wife's parents (John and Delilah Stanford) were from Maryland. So it makes me wonder if he had ties back to Maryland. Do you have a list of Andrews children by chance? Willene

I am interested to know if there was a son born to this family by the name of **Hiram Heath** Frier. One researcher here in Mississippi says **Hiram Heath** came from KY but I have found no records to prove this. His children had names of this family , Thomas, Robert, James of which I have found many familys name children after thier brothers and sisters. I have found his name spelled Fryar/fryer/frier and friar. His marriage to Elizabeth Baxter in Marion County MS has Hiaran **Heath** FRIAR.

Juanita, Fryer/Frier could be the same family...in early days the clerk of the court would be creative and spell the names diff. ways in one document.

The Frier I have is Jane(Jenny) Frier in Fayette Co, KY in the late 1700's. She married our Samuel Reeds Jr. married about 1790, poss in KY. Samuel Jr. died 1806 in Jessamine Co, KY. They had a James Reeds b 1785 & Nancy Reeds b c 1788.

Jane/Jenny's father was Robert Frier, marr a Jane (?) and had many children. One son is Robert Frier Jr. birth date unkn, and a David and James Frier, but living after 1818 in poss. Fayette Co, KY. You might find them in KY on the censuses or in publications. Good Luck! Hope you find them.

Cor. C. E. Hooker met with a painful accident in Washington a few days ago, being knocked to the ground by a passing street car. While severely hurt his condition is not serious as was first reported.

We have received an invitation to attend the marriage of Mr. Gustus C. Kendall and Miss Sadie Zelle Watts, both of Meridian, Miss., to take place on Thursday evening, April 13, 1893, at half past eight o'clock, in the Central Methodist Church, Meridian. In advance, we wish our young friends all the happiness imaginable. May their fondest hopes of married life be fully realized.

At the primary election at Ocean Springs, on Saturday for postmaster, Mr. Thomas R. Friar received a majority of 29 votes. There were 205 votes cast. The election was quite and orderly, and we believe the result gives satisfaction. Mr. Friar, as we have said before, is well qualified for the position, and will no doubt come as near pleasing the patrons of that office as is possible to do. His application, together with the result of the election has been forwarded to Colonel Stockdale at Washington. The present incumbent's term expires in a few days, and immediate action, do doubt, will be taken on Mr. Friar's application.

home institutions in that city. Our town suffers likewise. It is strange that people will not appreciate the benefits derived from supporting home concerns, and especially the established ones, which are the mainstays of the town.

Twenty-five Scranton citizens were hauled up before a magistrate for taking part in a charivari gotten up for the benefit of a newly married couple and repeated. The jury brought in a verdict of not guilty but recommended the magistrate to reprimand the prisoners. That's like the frontier jury which rendered a verdict of 'not guilty, but don't do it again.'

[Brookhaven Times.]

Not only the jury's verdict, but the custom of charivari is extremely ridiculous and worthy only the tolerance of the very ignorant pioneer settlements.

In reply to a letter from Sheriff F. H. Lewis, of this county, Attorney-General Johnston gives the opinion that the law's intent is that prisoners shall not be leased outside of the county in which they were convicted, or that the convict camp should be established or located elsewhere than in the county.

NOTICE dissolution card of Gatti & Morris. Tony C. Gatti will continue the business at the old stand.

THE President has appointed Q. O. Eckford, of Aberdeen, Miss., consul to Kingston, Jamaica.

THE weather prophet says there will be a season of severe cyclones in the Gulf States.

Song of the State press: Diversify crops, plant less cotton and encourage immigration.

Tupelo has subscribed all the capital necessary to erect a canning factory.

All the towns: Give us canning factories.

some girls and gallant young men that they were having a fine time. Mr. Andrew Ramsay joined the company with a fine air on his Arabian horse. A lot of were Messrs. Charles Lewis Lundy, of Ocean Springs.

Just as we finish our report on an accident which came to be a serious one. While, Earl Mr. Henry Davis was having a baby brother asked for a seeing the danger and this be a pleasure ride placed the rails; the wagon ran into the child between the wheels brought the horse to a halt held the reins, thereby preventing the wheel from running over the child. The only result.

Editor P. K. Mayers, of DEMOCRAT-STAR, is a garden back. He had new potatoes raising on the 22d. It's his editor down when it comes if you let him tell the result.

Here on Front Beach at Washington Avenue, the Dolbear tract had three hundred sixty-four feet on Biloxi Bay. Two hundred feet were west of Washington Avenue. Louis L. Dolbear built a home in the western part of Lot 2 of Block 6. In April 1881, fifteen months before his demise, Mr. Dolbear conveyed "with love and affection" to Marie Louise Friar, his daughter, Lot 1 and Lot 2 of Block 6 with all improvements, except ninety-five feet on the east side of Lot 2, which was given to Louis L. Dolbear II (1855-1918). In June 1893, Marie L. Friar acquired her brother's tract on Biloxi Bay, east of Washington Avenue. (JXCO, Ms. Land Deed Bk. 5, pp. 132-133 and Bk. 19, p. 156)

There is a high degree of certitude that the Louis L. Dolbear-Thomas R. Friar house was the original structure which was located at 505 Front Beach Drive and possessed by Ross P. Dodds and spouse, Sharon W. Dodds, when it was destroyed by Hurricane Katrina in late August 2005. The home left the Friar family in March 1925, when Orcenith G. Swetman (1872-1963) of Biloxi bought it from Josephine Friar, the daughter of Thomas R. Friar and Mary Louise Dolbear. In the warranty deed, Miss Friar conveyed for \$4250, "one lot or parcel of land and being my old homestead in the City of Ocean Springs being the west portion of Lot 2, Block 6.... with a front on Biloxi Bay of one hundred twenty-five feet. (JXCO, Ms. Land Deed Bk. 53, pp. 22-23)

Margaret Seymour Norman (1908-2001), whose father John R. Seymour (1879-1938) operated an oyster house at the foot of Washington Avenue, remembered that the Thomas R. Friar house was relocated to the east of its original site, which corroborates that it might be the former structure at 505 Front Beach Drive.

**Turn of the Century**

By 1900, Thomas R. Friar was wholesaling raw oysters from the waters of Biloxi Bay and environs from his Washington Avenue beach oyster house. Robert A. Friar was also an oyster dealer probably working with his father. Another son, George L. Friar was working as a carpenter. He became a well known local boat builder and lumber merchant. Thomas R. Friar's daughter, Louise Friar, married Elias S. Davis (1859-1925), who was a partner with George W. Davis (1842-1914), his elder brother, in the Davis Brothers Store on Washington Avenue while another daughter, Josephine Friar, a spinster, worked in the Davis Store for many years. Thomas A. Friar had expired from typhoid fever while at Pensacola in November 1896. In 1910, his widow, Theresa Vahle Friar, was also an oyster dealer. (1900 Jackson Co., Mississippi Federal Census, T623 812, p. 13B and 1910 Jackson Co., Mississippi Federal Census T624 744, p. 6B)

The August 1901 Hurricane wrecked havoc on the beach at Ocean Springs. Wharves, bathhouses, and the entire New Beach Road were destroyed. During the tempest, Captain Thomas R. Friar went to secure his vessel, Gladys. The fury of the storm prevented him from returning alone, and he was rescued by Bob Friar, George Seymour, Ben Dick, and Ned Ladner.

In 1904, Thomas R. Friar advertised in The Progress as:

FRIAR'S OYSTER SHOP Open For The Retail Trade OYSTERS, FISH, CRABS, and SHRIMP Constantly on Hand      Your Patronage Solicited Telephone 83                      Free Delivery
---

After Mrs. Marie Dolbear Friar died in September 1914, a forced heir ship sale titled, Jackson County, Mississippi Chancery Court Cause No. 3462, resulted in her daughter, Josephine Friar, buying Lot 1 and Lot 2 of Block 6 (364 feet on bay front) for \$960 from Commissioner Fred Taylor. This conveyance occurred in February 1916. (JXCO, Ms. Land Deed Bk. 42, pp. 614-615)

Miss Josephine Friar sold her sister, Marie A. Van Court, the east part of Lot 2, eighty feet on Biloxi Bay in December 1916. Her husband, Daniel B. Van Court, may have operated his seafood business here before moving to the "Triangle" in the 1930s.

The Triangle is that small parcel on Front Beach Drive west of the foot of Washington Avenue. It was formerly the mouth of the small bayou, which drains the Fort Maurepas Nature Preserve, before it was filled in during the seawall construction in 1928-1929. The Friar Heirs sold their interest in the Triangle and other Friar lands west of Washington Avenue to Katherine Crane Powers (1891-1961) in March 1959. Irene N. Endt Powers, the widow of David Neely Powers (1890-1983), owns the Triangle today. (JXCO, Ms. Land Deed Bk. 187, p. 266-270)

The Seamen's Memorial was erected in the Triangle in 1994 and dedicated on September 4, 1994, "to Mississippi, Louisiana and Alabama Seamen who have lost their lives at sea, while in the line of duty for their country, or in the making of their livelihood. Pleasure boating excluded. (The Ocean Springs Record, July 28, 1994, p. 1 and September 8, 1994, p. 1)

Thomas R. Friar expired at Ocean Springs on September 26, 1918. His and the corporal remains of Marie Dolbear Friar, his wife, were interred in the Bellande Cemetery on Dewey Avenue at Ocean Springs.

**THOMAS R. FRIAR (1845-1918)**

Thomas R. Friar (1845-1918) replaced Thomas "Ike" I. Keys (1861-1831) as the Postmaster at Ocean Springs, Mississippi on April 12, 1893 after the election of President Grover Cleveland (1837-1908) to the White House. President Cleveland was the first Democratic president elected since the surrender of CSA General Robert E. Lee (1807-1870) at Appomattox, Virginia in early April 1865.

Postmaster Friar surrendered his position to Ike Keys on August 4, 1897. This change in management of the local postal office was a direct result of Republican William McKinley (1843-1901) defeating William Jennings Bryan for the Presidential office in the election of 1896. During the tenure of Postmaster Friar, the U.S. Postal Service began experimenting with Rural Free Delivery (RFD). It became permanent in 1902.

Thomas Randolph Friar (1845-1918) was born at Lumberton, Mississippi on April 14, 1845. He was the son of Hiram Heath Friar (1825-1885+) and Elizabeth A. Baxter (1830-1880+). Thomas R. Friar arrived at Ocean Springs after the Civil War, in which he was wounded at Chickamauga, Tennessee. Mr. Friar made his livelihood as a house carpenter and later entered the wholesale oyster business east of the foot of Washington Avenue. (History of JXCO, Ms. 1989, p. 211)

Circa 1868, Thomas R. Friar married Mary Louise Dolbear (1846-1914), an Alabama native. The Friars had a large family born at Ocean Springs: George L. Friar (1870-1924) married Clyde Davis Netto (1874-1964); Thomas Adolph Friar (1871-1896) married Theresa Vahle (1871-1956); Louise A. Friar (1874-1952) married Elliott S. Davis (1859-1925); Robert A. Friar (1878-1948) married Elizabeth C. Wolf (1885-1919); James H. Friar (1882-1962) married Sarah Marshall; Josephine Friar (1884-1958); and Marie Antoinette Friar (1886-1978) married Daniel B. Van Court (1885-1943). (History of JXCO, Ms. 1989, p. 211)

Christmas is coming and J. Neilson, of Biloxi, has a larger stock of jewelry, cut glass and other articles suitable for presents than he has ever carried before. Look over his elegant assortment of Christmas presents.

The News will issue next week on Friday in order that the paper will be in the homes of all subscribers in the county before Christmas. That issue will contain fully as much holiday matter as this number and will add its share to the gaiety and pleasures of Christmas time.

The infant child of Mr. and Mrs. R. E. Lee, born Tuesday, died Thursday and was laid away yesterday, the interment being private. The News extends deep sympathy to the young parents in their unhappy bereavement.

A telegram received yesterday brought news of the serious injury of James Friar, of this city, by a falling telegraph pole. The timber struck him on the head and fractured his skull. He is now at Touro Infirmary and it is stated that an operation will probably be necessary.

A number of people called at The News lately inquiring about cows advertised for sale in this paper. It is evident that there is a healthy demand for good milch cows in this locality and this paper would advise people having such for sale to advise the public through the medium of a small advertisement.

Numerous complaints have reached The News office of late regarding the horses that roam the streets. We have no recollection of a town ordinance covering the case but it is an undeniable fact that some of the horses allowed to run at large do considerable damage and are in other ways a nuisance. We understand that there is a movement on foot to ask the council to pass a stock law forbidding all stock to roam the streets, day or night.

Mrs. Theo. Bechtel was the hostess of the Bridge Club this week, it being the regular monthly meeting at which the gentlemen are invited to participate. The affair was most enjoyable indeed and one which those present will remember for a long time to come. The lovely Bechtel home was decorated with ferns and flowers in honor of the event and presented a pretty sight. After the games delicious refreshments were served.

The Business Men's Association of Ocean Springs is a young and growing organization that will prove of much benefit to its members. In a later issue The News will outline fully the objects and purposes of the Association.

Phil N. Kreutz, the local jeweler, was a business visitor to New Orleans this week.

Try this recipe for old fashioned molasses candy? Take one quart of molasses, one and one-half pounds of brown sugar and the juice of one large lemon. Mix the molasses and sugar well together, butter well the inside of a kettle and put it in. Let it boil over a moderate fire for two hours and then add the lemon juice. When done butter a pan and put it in to cool. Grease the hands with butter, and, when the candy is cool enough to handle, pull. Nuts of any kind, chopped fine, may be added during the progress. It may be made of molasses only—but in this case it requires longer boiling. Other flavoring may be used in the lemon juice.

## FRIAR ELECTED CLERK

R. A. Friar was elected Town Clerk  
at the special election held in Ocean  
Springs, December 23, to fill the term  
of Walton Davis, resigned.

There was no opposition, and only  
a twenty-five percent vote was cast.

Mr. Friar besides being one of the  
most popular men in Ocean Springs,  
is particularly well qualified for the  
office, having held a secretaryship to  
Superintend of Bridges and Buildings  
A. J. Catchot, of the L. & N. Rail-  
way, for several years.

Springs for his future home.

Mr. Germain recently bought the  
Newcomb property, 33 acres, which  
lies across from Frank Bryan's model  
orchard.

He has just had ten acres planted  
out in pecans, Chas. E. Pabst execut-  
ing the contract, and Mr. Germain is  
more than pleased.

Mr. Germain is an official of the  
Rock Island Railway, and hopes to  
move here for permanent residence  
within a few years.

He has traveled extensively through-  
out the South for a number of years,  
and finally selected Ocean Springs  
after comparing conditions here with  
everywhere else on the Coast.

He returned to Chicago Thursday.

## WOODMEN BALL TOMORROW

New Year will be ushered in by  
a Grand Ball to be given by the  
Woodmen of the World, Friday night  
December 31, at Firemen's Hall. This  
is an annual event and has always  
proved one of the most popular af-  
fairs of the season. E. A. Maier,  
chairman of the committee on ar-  
rangements, reports that no effort has  
been spared to make this year's func-  
tion surpass all previous endeavors.

## WINTER STRAWBERRIES

Ted Ames Demonstrates They Can  
Be Raised Here.

Ted Ames has brought The News  
some strawberries raised by him in  
his garden fronting the L. & N. depot.  
Mr. Ames did not especially try to  
raise strawberries this winter—they  
just grew; but he is thinking serious-  
ly of developing a patch of the costly  
fruit next winter.

The nice, comfortable parsonage of the

Mr. Louis Bertram has purchased the

and Broadway, and now occupies it as a  
home.  
Mr. John Jones, the old reliable butch-

meat, and out of a clean neat wagon.  
Mr. Jones is a model butcher, and knows  
how to dress and sell meat well. He is  
polite and accommodating, and attends  
to business in a business-like manner.  
Wait for the new yellow wagon with  
the good-natured, good-looking man,

# MISSISSIPPI BUILDING ADVOCATED FOR THE GULF COAST FAIR

CONGRESSMAN PAT HARRISON URGES THE NECESSITY OF SECURING A PERMANENT BUILDING AT THE MOBILE FAIR TO ADVERTISE OUR PRODUCTS AND POSSIBILITIES—OUR FUTURE BOUND UP WITH MOBILE'S—FAIR WILL BE PERMANENT INSTITUTION—WE NEED MORE SPACE FOR PRODUCTS.

"I believe that the permanency of the Gulf Coast Fair is assured, and I think the suggestion that the counties of South Mississippi maintain a building at the Fair to be known as the MISSISSIPPI BUILDING, where the products of this section can be properly exhibited, is a good one, and if carried out the advertising result would be incalculable. I think the people of our section should cooperate in every possible way with the progressive citizenship of Mobile and South Alabama in making the Fair bigger and better every year. Our interests are so closely identified that what affects the people of South Alabama affects the people of South Mississippi, and as Mobile prospers, that prosperity will be reflected and shared by the adjacent country."

With these words, in an exclusive interview to The News, did our far-seeing Congressman, Pat Harrison, urge the idea of South Mississippi securing a building its own, at the Gulf Coast Fair, in Mobile.

That the Fair will be a permanent institution, the undreamed success

this year has proved beyond possibility of doubt.

Prominent men here are alive to the importance to this region, from an advertising standpoint, of the Fair, and it is stated that with the development of this region, a building would be necessary anyway, within a few years, merely to give floor space to our exhibits, and the question is asked, Why not plan for a building now?

Congressman Harrison said in continuation:

"The Fair at Mobile this year was one of the best I have ever attended. The exhibits showing the wonderful resources of the Gulf Coast section were superb, and if the people of other sections of the United States could have seen these exhibits—the agricultural products in particular—they would have marveled at the progress our people are making along modern lines of agriculture.

"I thought I knew our section, but the great variety and excellent quality of the products exhibited at this exposition—for exposition it was—were a revelation to me, as they were to thousands of others."

"The corn which is exported from the Gulf ports to the West Indies usually contains less moisture than that exported to Europe\*\*\*A number of instances has been brought to our attention where the drier corn from the South\*\*\* has commanded a pre-

The "Old Maids' Return" at Firemen's Hall last Thursday night, was witnessed by a good sized audience and made a favorable impression.

At the last regular meeting of McLeod Lodge No. 424 A. F. & A. M. the meeting time was changed to the second Saturday in each month, beginning in March. Members take notice.

H. D. Cudabac, W. M.  
S. Bradford, Secretary.

Large shipments of pecan and orange trees have been made by local nurserymen during the past month. The aggregate during the past month would sum up to several thousand trees.

We learn of the intention of the Hook & Ladder Company to give an entertainment the early part of March. The program we believe will be in the nature of a minstrel show and something good is promised.

The C. E. Dees livery stable changed hands this week, being purchased by D. C. Toler of Kiln, Miss. Mr. Dees, who retires from the livery business, will shortly enter the store of L. M. McClure & Co. of which he is a part owner.

The pretty misses of Ocean Springs with hearts all a flutter will visit the post office several times tomorrow looking for valentines. If you watch closely you will also notice a number of half-grown boys sneaking in to take a look every little while, vainly hoping that one may come their way. Let us hope that they'll all get the kind they're looking for and not one of those horrid combs.

The brand of dope they are using over in Biloxi since January 1st is making 'em see things. Within the past week a snow storm has been seen at the federal building, an earthquake shock felt in the Peoples Bank building, lightning broke a bottle of ink at a drug store and a volcanic eruption was discovered in a bank of oyster shells near the light-house sea serpents are going to be plentiful on the Biloxi beach next summer and whales will be an every day sight.

der against the bleaching of flour by millers went into effect Feb. 1. From now on the pure white flour which has become so familiar, will be a thing of the past and will be replaced by a flour having a creamy golden color. In order to give the millers a chance to dispose of the bleached stock already on hand, Secretary Wilson has permitted them to continue its sales until June 9 next. The further bleaching of new flour, however must cease.

Hens to produce eggs to the best advantage should not be compelled to spend the day out in the cold rains of February, hunting something to eat. This is all right in spring and summer weather, but during February when cold rains are likely to occur often it is not good policy to compel hens to seek their livelihood out in the storms. This exposure takes a good portion of the feed to keep them warm, which would otherwise go to egg-making. It is simply a matter of economy to provide ample shelter.

For fear that someone may misconstrue our meaning in the article of last week regarding the dissatisfaction expressed by those who attended the basket ball banquet and were not provided with seats The News desires to state that the criticism was not of the Shanahan house or the lady in charge, Mrs. White. Mrs. White informs us that orders were given for only sixty plates, but that she could have easily seated all that were present if previously instructed to do so, as the kitchen was bountifully supplied and additional table room could have been easily provided.

Attention is called to the big full page advertisement of L. M. McClure & Co. announcing a great three days special clearance sale. The new firm informs us that they expect to make this introductory sale a memorable one in the annals of local merchandising and to that end are pricing goods very low for the occasion. They are making extensive preparations and next Thursday, Friday and Saturday will doubtless be busy days at the Bargain Store. Read the big clearance sale ad and be sure to be on hand on the opening day.

Dr. Fred J. Mayer, state lecturer on hygiene and sanitation, visited Ocean Springs yesterday and gave two interesting lectures. In the afternoon he spoke to the children of the public school and at night addressed a fair-sized audience at V. H. & L. Hall. Dr. Mayer's lectures dwelt mainly on the different varieties of mosquitoes as transmitters of typhoid and yellow fever. He also took up the question of drainage and discussed it to some length. These are pretty dry subjects to the average citizen but Dr. Mayer presented the matter in such a way as to make it exceedingly interesting and instructive.

#### Every Man His Own Doctor.

The average man cannot afford to employ a physician for every slight ailment or injury that may occur in his family, nor can he afford to neglect them, as so slight an injury as a scratch of a pin has been known to cause the loss of a limb. Hence every man must from necessity be his own doctor for this class of ailments. Success often depends upon prompt treatment, which can only be had when suitable medicines are kept at hand. Chamberlain's Remedies have been in the market for many years and enjoy a good reputation.

Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints.

Chamberlain's Cough Remedy for coughs, colds, croup and whooping cough.

Chamberlain's Pain Balm (an anti-septic liniment) for cuts, bruises, burns, sprains, swellings, lame back and rheumatic pains.

Chamberlain's Stomach and Liver Tablets for constipation, biliousness and stomach troubles.

Chamberlain's Salve for diseases of the skin.

One bottle of each of these five preparations costs but \$1.25. For sale by McVea Young, Scranton, Miss.

The election was quiet and orderly. We congratulate Mr. Hudson on his success which we feel sure will redound to the benefit of our city. Mr. Hudson's majority over his opponents is 92 votes.

#### Commemoration Services.

The Jamestown Exposition celebrates the three hundredth anniversary of the first permanent English settlement in America—the first step taken towards building the United States.

The colonists landed in May and shortly after, on the second Sunday after Trinity (which is next Sunday) they held the first communion service ever held in the English language in the new world. Next Sunday is the three hundredth anniversary of this notable event, which pledged America to Christ.

The Sunday service at the Episcopal church will commemorate this first holy service, and all the wonderful years between will be brought to mind. During these three hundred years strong and earnest Christians have built up the greatest nation in the world. Those who reverence their ancestors and love their memory are invited to come before God to pledge to Him that we will still strive to carry forward the great work begun in His name.

Three hundred years ago our fathers were of one church in England. Presbyterians, Baptists, Methodists, the various divisions springing from the ancient church are invited to join in this commemoration and (in substantially the same words as were used on that day by their ancestors) to join in the praise of God.

Service at the Episcopal church Sunday at 11 a.m.

#### Attractive Home Wedding.

The marriage of Miss Oneida Aurelia Friar, of Pascagoula and Mr. Charles A. Denison, of Ovid, Michigan, was celebrated Wednesday evening at 8:30 at the home of Mr. and Mrs. Claud Watson on the beach. The wedding was an especially attractive and lovely event. Rev. B. H. Ellis officiated. There were a number of friends and relatives at the ceremony. The bride's costume was an extremely lovely gown of white mull trimmed with lace. She wore a long veil of illusion and carried a shower bouquet of bride roses, looking very attractive and beautiful in her becoming bridal robe. A reception was held immediately after the ceremony. Mr. and Mrs. Denison will leave on Saturday for their future home in Ludwigs, Louisiana.

strongly showing that Ed. F. Hudson duly elected marshal at the special election June 3d was received and fixed at \$500 and salary raised to month. On motion Mr. Hudson elected street commissioner and city officer.

#### THE REPUDIATED BONDS

Discussing the agitation of repudiated Planters and Union Bonds Governor Vardaman, in usual terse and vigorous terms,

"It is a question that was forty years ago, and the agitation afresh now seems to me to sound. It was a question unsettled when the constitution was written, led by Senator Galloway, decided emphatically that they not be paid. So far as I am concerned, I would rather take the solemnment of that body on the subject than the opinion of Bishop Galloway and others, and can see no ground to come from the agitation of the question.

"The credit of Mississippi is good today as that of any State in the Union, a fact which was shown in the recent sale of twenty-year United States bonds at par, and the suggestion that the agitation of this question for the purpose of making it difficult to dispose of the remainder of the \$500,000 bond issue left on hand is not believe is true. I do not think that Bishop Galloway's opposition would lead him to that extent, but I do think that there are motives than a desire to redeem the State's honor behind the agitation. But there is one thing sure, and that is that those bonds will not be paid."

There will be fifty-three such occurrences this year, an occurrence that will happen again in 110 years.

### Charles I. Friar.

Charles I. Friar died at his home in Pascagoula, Friday morning at 8 o'clock a. m., at the age of 32 years after a lingering illness which he endured with splendid fortitude and resignation. Although his death was not unexpected, it was a fearful shock to his innumerable friends who were acquainted with his many excellent qualities of heart and mind. He was a most exemplary young man. His admirable characteristics were admired by everybody who knew him.

Mr. Friar filled the position of super-  
intendent of the municipal water and  
light plant during three administra-  
tions, giving the most unqualified satis-  
faction. His resignation was due to ill  
health.

He was married to Miss Mannie Hall  
of Pascagoula several years ago, and one  
child, a bright little daughter, came to  
bless the home. He was a member of  
the Baptist church. He leaves a wife,  
one daughter, four sisters, three brothers  
and other relatives to mourn his loss.

The funeral will take place from his  
late residence today, Saturday, at 3 o'  
clock p. m., proceeding to the Pasca-  
goula cemetery for interment. Rev. L.  
N. Brock will conduct the burial ser-  
vices.

### "The Ravin."

"Once upon an evening dreary,  
While the atmosphere was bleary  
And the editor was weary, as he oft had  
been before,  
As he strove to win the reader  
With a long and fervent leader,  
Came a low familiar tapping, tapping at the  
sanctum door,  
Only this and nothing more.

Long the scribe had been a grinding  
All the items of his finding  
Into newy tales of gossip, love and labor,  
blood and gore;

Now he worked with rapt attention  
On his editorial mention  
Till the devil stuck his features just within  
the sanctum door.

"Copy," said he, "Gimme more."

Much he marveled that unthrifty  
Typo should have worked so swiftly,  
Though their galleys full of errors, little  
sense or meaning bore;

But the writer hung a clipping  
On the hook and just was slipping  
Back to work when once again he heard  
that terrifying roar;

"Copy! Copy! Give us more."

Then he rose in angry passion  
And clipped in hasty fashion.
